Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Evie Emmerich)

THE BIG THAW (PAPERBACK)

Random House USA Inc, United States, 2001. Paperback. Condition: New. Language: English. Brand new Book. A killer is placing his cross hairs over the American heartland. The pair of frozen corpses were found under a tarp in the machine shed of an empty farmhouse. Two males -- brothers -- both killed by bullets from a Russian automatic fired at close range. The cops have a suspect: a man Deputy Sheriff Carl Houseman busted five years earlier and the county's lead suspect in a series of recent robberies. Houseman knows they have the wrong guy. He also knows they've got something bigger than a burglary gone bad . especially when the FBI starts showing up in Maitland. The brutal double homicide is just the tip of the iceberg in a case where a killer's trail keeps disappearing like footprints in freshly fallen snow, and where one bad break can send a good cop into a deep freeze.
